Tyre grip diagram / service life (for various compounds)

KART tyres are manufactured for indoor driving as well as racing and are available in six different compound variants.

SRW: Supersoft rain tyre for wet surfaces  
 SRB: Soft-medium racing tyres for national racing  
 SRL: Medium-hard racing tyres for endurance racing and club  
 SRC: Rental Soft tyre for indoor and outdoor rental driving in cold weather and on smooth surfaces  
 SRE: Rental Medium tyre for indoor and outdoor rental driving  
 SRH: Rental Hard tyre for indoor and outdoor rental driving
